Georgios-Chrysovalantis Chatzivantsidis

Business Intelligence (BI) and Data Analysis | Power BI, SQL, Excel

Thessaloniki, Greece (available for fully remote work) | +30 694 783 0756 | hatzivantsidis@gmail.com | linkedin.com/in/georgios-chatzivantsidis-81a053110

SUMMARY

Physics graduate moving into business intelligence (BI), with certified training in Microsoft Power BI (DAX, Power Query), SQL, ETL, data cleaning and data modeling, and advanced Microsoft Excel skills. Built interactive Power BI dashboards and reports on performance indicators (KPIs) in a football-data project. Has built more than 10 apps with AI, plus several websites, and uses ChatGPT and Claude regularly. Brings a quantitative research background and years of experience explaining technical material clearly to non-technical audiences, in Greek and English.

SKILLS

- **Business intelligence:** Microsoft Power BI (DAX, Power Query, data modeling), Tableau; dashboards, reports, data visualization, KPIs
- **Data:** SQL, databases, data cleaning, data quality checks, ETL and data transformation, data warehouses, OLAP cubes
- **Microsoft Excel and Office:** advanced Excel, Python in Excel; Word, Access, PowerPoint
- **Programming:** Python (pandas, NumPy, Matplotlib); HTML, CSS, JavaScript; VS Code, Git; FORTRAN (scientific computing)
- **AI tools:** ChatGPT, Claude, Gemini, DeepSeek, Qwen (regular use); AI-assisted data analysis
- **Statistics:** statistics, probability, quantitative analysis
- **Languages:** Greek (native); English (Cambridge Certificate of Proficiency, C2)

CERTIFICATIONS

- **Data Science Professional** | Workearly (Credly) | Feb 2026 | Python, SQL and databases, Power BI, Tableau, ETL, data modeling; passed exam projects and coding assignments
- **Data & Programming Summer School** | Workearly (Credly, Intermediate) | Feb 2026 | Python, data analytics, AI, Excel, Power BI
- **Python in Excel** | Workearly / Level Up, EU Digital Europe Programme | Feb 2026 | 8 hours
- **Introduction to Programming with Python** | Aristotle University of Thessaloniki | Nov 2017 | 60 hours, 2 ECTS
- **Dedicated Web Application Developer (HTML, CSS, JavaScript)** | GlobalCert, ESYD-accredited | Oct 2023
- **International Diploma in IT Skills Proficiency** (Word, Excel, Access, PowerPoint, Outlook) | Cambridge International Examinations | 2014

PROJECTS

Football Data Analysis

Workearly Data & Programming Summer School | 2026

- Analysed football data, including expected goals (xG) and other performance indicators (KPIs)
- Cleaned the data and ran data quality checks
- Processed the data with Python and Excel, and built interactive Power BI dashboards and reports
- Presented the findings

Apps and Websites

Personal projects

- Built more than 10 apps with AI
- Built several websites

WORK EXPERIENCE

Graphic Designer

Kyriakidis Publications, Thessaloniki, Greece | Nov 2017 - Present

- Lay out books, and design book covers and posters, for a publishing house
- Work in Adobe Suite
- Manage own workload and meet publishing deadlines

Adult Trainer (hourly contract)

SAEK Epanomis, Public Vocational Training School, Epanomi, Greece | Mar 2024 - Jun 2024

- Taught "Special Topics in Physics" (theory and lab) to adult vocational trainees, 36 teaching hours

Substitute Physics Teacher

Directorate of Secondary Education of East Attica, Avlona, Greece | Oct 2008 - Jun 2012

- Taught Physics for four school years at a school operating inside the Avlona Special Juvenile Detention Centre

Planetarium Tour Guide

Thessaloniki Planetarium (Tsampouras D. & Co OE), Thessaloniki, Greece | Mar 2008 - Oct 2008 (full-time); Jan 2003 - Dec 2003 (part-time)

- Led planetarium tours for primary and secondary school groups

Teaching Assistant, Statistics and Physics
Aristotle University of Thessaloniki, Department of Physics | Feb 2004 - Jun 2005

- Taught Statistics tutorials in the MSc programme in Computational Physics
- Taught Statistics & Probability and Theoretical Mechanics I tutorials for undergraduates

EDUCATION

BSc in Physics
Aristotle University of Thessaloniki | 1994 - 2000 | Grade 6.7/10 ("Very Good")

Vocational Diploma in Print and Electronic Media Graphic Design
IEK AKMI, Thessaloniki | 2019 | 1,173 hours

RESEARCH EXPERIENCE

Researcher, Computational Celestial Mechanics
Aristotle University of Thessaloniki, Laboratory of Astronomy

- Wrote FORTRAN code for numerical simulation of asteroid orbits
- Co-authored a peer-reviewed *Astronomy & Astrophysics* paper (2004) based on large-scale numerical experiments on a supercomputer, and a conference paper (ACM 2002, Berlin)

ADDITIONAL TRAINING

- Training of Adult Educators | University of Macedonia | 2023 - 2024 | 160 hours
- Particle Physics Training Programme for Teachers | CERN, Geneva | 2010
- Summer schools in chaos and planetary systems | Helmholtz Institute, Potsdam (2003); Wilhelm and Else Heraeus, Bad Honnef (2005)
